RE: FINGERSAFE DOOR HINGE GUARDS

I was appointed as Headteacher of Mildmay Infant and Nursery School in 1994. Having already fitted Fingersafe at my previous school, one of my first tasks was to have Fingersafe fitted here.

We fitted a total of 70 units and I am pleased to say that after 7 years of constant use we have only had to replace 10 units. The remainder are still working perfectly.

Part of my responsibility as Headteacher is to ensure the safety of children and adults. By fitting Fingersafe to all doors I can ensure that we prevent unnecessary but extremely painful accidents.

I strongly recommend the use of Fingersafe.

Yours sincerely
